

REMARKS

The Examiner has deemed claim 2 allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Accordingly, Applicants have cancelled rejected claim 1 and incorporated all of the limitations of claim 1, which is the base claim of claim 2, into claim 2. Applicants have also made rejected claims 3-11 depending, directly or through intervening claims, from amended claim 2. Therefore, amended claim 3-11 are also allowable.

Hence, Applicants respectfully request that the Examiner withdraw all of the rejections and allow remaining claims 2-11. Applicants respectfully invite the Examiner to telephone their attorney, Shao-Hua Guo, at (610) 359-6059 if a discussion of the application might be helpful.

Respectfully submitted,
Mark K. Reinking et al.
